

ICTS COLLOQUIUM

- Title : From IndIGO to LIGO-India
- Speaker : Bala Iyer, Raman Research Institute, Bangalore, India
- Date : Monday, July 1, 2013
- Time : 4:00 p.m.
- Venue : ICTS Lecture Hall, IISc Campus, Bangalore
- Abstract : The IndIGO Consortium was founded in 2009 to coordinate Indian participation in the global network of GW detectors. The talk outlines the developments that eventually led to the proposal of LIGO-India. It concludes with the current status of the LIGO-India project and its future plans.

(This colloquium is part of the ICTS Program on Numerical Relativity and the ICTS-IISc Joint Program)
