TATA INSTITUTE OF FUNDAMENTAL RESEARCH

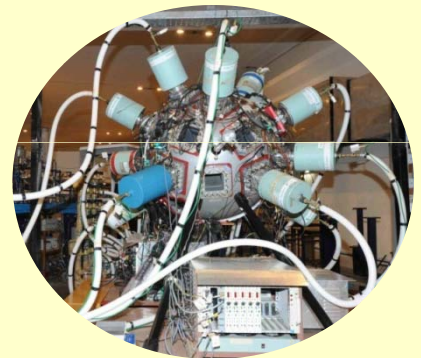

Advances in Nuclear Physics 2011

International Centre Goa

<http://www.icts.res.in/program/ANUP>

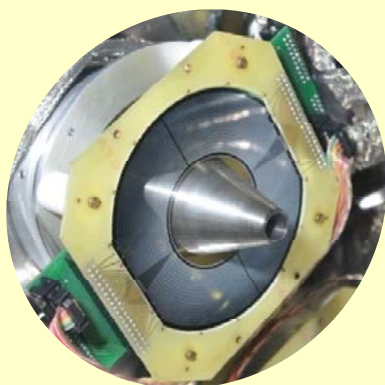

Workshop : Nov. 7-8, 2011

School : Nov. 9-18, 2011

The programme is aimed to introduce young researchers to exciting developments in the field of nuclear physics. The school is planned to provide an introduction to stable and *RIB* physics at the level of graduate students and will focus on some of novel features of the structure and dynamics of exotic nuclei. Due to limited availability of accommodation, total number of participants in school will be restricted .

Last date for pre-registration 15th June 2011
