ICTS Special Colloquium

Title   : Some footnotes to Galois's memoirs on solving equations by radicals

Speaker   : Chandan Dalawat, Harish-Chandra Research Institute, Allahabad

Date   : Wednesday, November 28, 2018

Time   : 11:30 AM

Venue   : Emmy Noether Seminar Room, ICTS Campus, Bangalore

Abstract   : We will review the historical development of the theory of polynomial

equations, describe Galois's decisive contribution in his two memoirs,

and complete the second memoir in an important respect. Very little

background knowledge will be assumed.
