## **About the City**

Bangalore is a major city in southern India and the capital of the state of Karnataka. The city is a major scientific centre in India, and hosts several scientific institutions of national and international importance.

The city has many tourist attractions. For more details [click here](#)

The city is also known for its uniformly pleasant weather.

The city is within driving distance of several centres of historical and cultural importance, including Hoysala Temples ([Belur](#), [Halebidu](#) and [Sharavanbelagola](#)). Bangalore is about 140 km from Mysore which was the capital city of several more recent ruling dynasties, including Tipu Sultan who mounted one of the early resistances against the British in India. Mysore also hosts the important Sringeri Sarada Peetha which was established during the Hindu reform of the 8th CE. [Somanathpura](#) is one of the finest and most complete examples of [Hoysala architecture](#) and is in on-the way to Mysore city.
