

ICTS POSTDOCTORAL FELLOWSHIPS IN PHYSICS AND MATHEMATICS

The International Centre for Theoretical Sciences (ICTS-TIFR), Bengaluru, is inviting applications for both regular and prize postdoctoral positions in Physics and Mathematics for the year 2019-2020. The positions are nominally for two years from the time of joining with possibility of extension for the third year.

ELIGIBILITY

Applications are invited from highly motivated young scientists with PhDs in theoretical physics, mathematics, astronomy, theoretical physical chemistry, theoretical physical biology and related fields. Individuals who have submitted their doctoral thesis are also encouraged to apply.

SALARY AND BENEFITS

For regular fellowship positions, the monthly salary structure is: 32,000 INR (for thesis submitted), 36,000 INR (PhD), 38,000 INR (PhD + 1 year), and 40,000 INR (PhD + 2 years).

Each fellow also receives a contingency grant of 32,000 INR per annum. In addition, the fellows are eligible for ICTS accommodation (or housing allowance @30% of the honorarium) and medical benefits.

For the **Simons prize fellowships**, the monthly salary is 60,000 INR along with a housing allowance of 15,000 INR (or ICTS accommodation) per month and medical benefits. In addition, they will receive travel support of 200,000 INR (per annum) and a research grant of 200,000 INR (per year) for computing services, relocation, publishing and other direct costs. They will also be eligible to apply for grants offered by external funding agencies.
