**Guidelines for Prevention and
Resolution of Sexual
Harassment of Women at
Workplace**

ICTS-TIFR is committed to maintaining a professional learning and working environment for its employees, students and guests. The mandate of the Sexual Harassment Complaint Cell is to prevent gender discrimination and inappropriate sexual conduct. This is best achieved through promoting gender sensitivity and justice amongst all ICTS employees. Below are points to be aware as a member of ICTS.

WHAT IS SEXUAL HARASSMENT?

Sexual harassment includes unwelcome sexually determined behaviour, whether directly or by implication, and includes physical contact and advances, a demand or request for sexual favours, sexually coloured remarks, showing pornography, and other unwelcome physical, verbal or non-verbal conduct of a sexual nature.

It also includes situations:

- i. When unwelcome sexual advances, requests for sexual favours, and verbal or physical conduct of a sexual nature, explicitly or implicitly, are made a term of condition of instruction, employment, participation, or evaluation of a person's engagement in any academic or campus activity;
- ii. When unwelcome sexual advances and verbal, non-verbal, or physical conduct such as loaded comments, slander, remarks or jokes, letters, phone calls or e-mail, gestures, showing of pornography, lurid stares, physical contact or molestation, stalking, sounds or display of a derogatory nature have the purpose or effect of interfering with an individual's performance or of creating an intimidating, hostile or offensive campus environment.

The above is not an exhaustive list.

LOGGING A COMPLAINT

Complaints can be made verbally or in writing including through email, or in a letter to any member of the Committee or to any member of the ICTS faculty. Assistance will be provided to those who make the complaints verbally to put them in writing. Complaints may be made by the aggrieved person or by a third party (with the written consent of the aggrieved person).

REDRESSAL

The Committee on receiving a complaint will set up an Enquiry Committee which will review the case / conduct disciplinary proceedings against concerned person(s) and recommend further action within a stipulated time. If it is found that the complaint is false, the Committee will recommend an action to be taken against the person making the complaint.

SOME SUGGESTIONS TO MAINTAIN A HEALTHY ENVIRONMENT AT ICTS

TO DO LIST (✓)

- ✓ Treat everyone in ICTS with respect.
- ✓ Any individual can ask that the door of an office be left open during any interaction.
- ✓ Any individual can request that meetings take place only during standard working hours and not in isolated areas.
- ✓ Any individual can request that meeting and study sessions take place in well lit public spaces rather than in rooms with limited access from the outside or in rooms that are private to one individual (e.g bedroom in a hostel).
