ICTS-LONG TERM VISITING STUDENTS PROGRAM *2027*

International Centre for Theoretical Sciences (ICTS-TIFR), Tata Institute of Fundamental Research, Bengaluru invites applications from academically bright and motivated Master's/ Integrated Master's/ Bachelor's students for the ICTS - Long Term Visiting Students Program (LTVSP). This program mainly aims to provide opportunities to students of science, mathematics and engineering to spend a longer period of time (1 or 2 semesters) to work in close collaboration with ICTS faculty members on research projects.

LTVSP students pursuing research in the two streams: Fluid Dynamics & Turbulence and Applied & Computational Mathematics are eligible to apply for admission to the PhD program in Applied and Computational Mathematics (ACM), provided they demonstrate outstanding performance during the LTVSP program and meet the ***eligibility criteria*** required for the ACM PhD program. Candidates who fulfill these requirements and subsequently clear the written test and interview will be considered for admission to the ACM PhD program.

Selected candidates will be provided stipends and accommodation during this program.

Applications are invited from both Indian and foreign nationals in the following two areas:

PHYSICAL AND NATURAL SCIENCES

1. Astrophysics and Relativity
2. Biological Physics
3. Statistical Physics and Condensed Matter
4. Fluid Dynamics and Turbulence

MATHEMATICAL SCIENCES

1. Applied and Computational Mathematics
2. Computer Science
3. Algebra, Geometry and Physical Mathematics
4. Probability Theory

Eligibility

Master's/ Integrated Master's/ Bachelor's students of science, mathematics and engineering, who are entering the final year, in their final year or have recently completed their program are eligible to apply.

Application Deadline

15 January 2027
5:00 PM IST

Referee Deadline

29 January 2027
5:00 PM IST
