TATA INSTITUTE OF FUNDAMENTAL RESEARCH

S. N. BHATT MEMORIAL EXCELLENCE FELLOWSHIP PROGRAM 2019

The International Centre for Theoretical Sciences, Tata Institute of Fundamental Research (ICTS-TIFR), Bengaluru invites applications from academically bright and motivated students for the ICTS - S N Bhatt Memorial Excellence Fellowship Program every summer during May-July. This program offers a unique opportunity to undergraduate/masters students of science, mathematics and engineering to work with faculty and post-doctoral fellows of the Centre and to participate in research at the frontiers of knowledge.

For the Physics stream, this summer program also provides an early route to the Ph.D and Int Ph.D graduate program at ICTS. Candidates who perform outstandingly in the summer program will be provided a unique opportunity to apply early for admission to our graduate program. Upon subsequently clearing a written test and interview, successful candidates will receive early PhD/Int Ph.D offers.

Undergraduate students of science, mathematics and engineering, who are in their third, fourth or fifth year of the program are eligible to apply. Exceptional undergraduates in their second year, masters degree students and those who have completed their undergraduate studies are also welcome to apply.

Deadline
15 JAN 2019
