#### DEFINITION OF TERMS:

1) ICTS means International Centre for Theoretical Sciences, Survey No 151, Shivakote, Hesaraghatta Hobli, Bangalore North, Pin 560089

2) The words Contractor, bidder, firm, agency means the person to whom the contract shall be awarded.

3) Work order, Purchase Order or Order shall mean the Work Order / contract with associated specifications executed between the Centre and the successful contractor(s) including any other documents agreed between the parties or implied to form part of the contract.

4) Vehicles shall mean vehicles with appropriate tourist permits, licenses and all other statutory requirements as required under the existing provisions and modified from time to time by the statutory bodies, Govt. departments etc.

## TERMS AND CONDITIONS:

- 1) All Vehicles to be provided should be 2017 and above model and all Drivers to be deployed should have a minimum of 5 years' experience after obtaining a valid Driving License.
- 2) A security deposit @ 3% of the contract value shall be provided by the contractor within 15 days of awarding of contract, failing which the entire amount will be recovered in the first 2 months' running bill. Alternatively, an Irrevocable Bank Guarantee from a Nationalized Bank for the equivalent value may be furnished for the period of agreement with 3 months grace period. The security deposit is refundable after expiry of the agreement subject however, to any claims on the contractor. The Centre reserves the right to deduct from the security deposit any amount for damages/deficiencies in service by the contractor. The security deposit does not carry any interest.
- 3) The contractors shall provide vehicles which are in perfect running condition, having clean and neat upholstery and body.
- 4) The transport contractors shall provide vehicles as stated above from their own resources and funds and the same will be sent to ICTS for the sake of operational formalities.
- 5) All taxes, insurance charges and other statutory levies that are payable therein shall be paid by the transport contractors.
- 6) All vehicles shall be yellow board, with valid permit to run as hired vehicles.
- 7) The transport contractors shall keep the vehicles entirely at the disposal of ICTS during the period of contract and these vehicles will not be used for any other purposes by the transport contractors. ICTS is at liberty to use the vehicles whenever necessary including Saturdays, Sundays and other holidays and also to any place depending on its requirements.
- 8) The transport contractors shall make the vehicles available to ICTS for a minimum period as per the timings mentioned in the rate chart in a day, which will be stipulated by ICTS. However, occasionally the transport contractors may be asked to stay over and it is the responsibility of the contractor to ensure that the drivers are not kept for long duty hours.
- 9) The transport contractors shall keep up the timings and in case of any repairs or due to any other reasons, if he is not in a position to send the vehicle, he will arrange alternate transport at his cost and ensure that the work of ICTS does not suffer. In case of failure to provide alternate vehicles, ICTS will be free to requisition such vehicles at rates which are within two times of the rate of the contractor who has failed to perform. In such cases such amounts will be made good to ICTS by the transport contractors without demur, either by deducting such amounts from their bills or by paying up on a demand from ICTS.
- 10) The transport contractor shall make efforts to restore the vehicle as early as possible.
- 11) The transport contractors are responsible to keep the vehicles in top most running condition and arrange for its periodical maintenance and daily cleanliness.
- 12) The transport contractors shall not use the vehicles under any circumstances for monetary gains except for ICTS works and he shall not pick up other passengers other than those authorized by ICTS.

Ref: ICTS/TIFR/2021-22/SER-37

Tender Notice No. 03/MAR/2022

- 13) ICTS reserves the right to fix or change the routes and stoppages, timings or any other thing which it feels is necessary for its operation of scheduled trips.
- 14) The driver of the vehicles shall be well trained, experienced and shall possess valid driving licenses, badge for driving public passenger vehicles. The driver shall be medically fit for driving such types of vehicles, with clear vision. Further, he should be well mannered and wear a clean & neat white uniform.
- 15) The driver should necessarily know Kannada and should be able to converse either in Hindi or English.
- 16) The vehicles shall be equipped with a stepney tyre, a set of tools, first aid box and other necessary accessories.
- 17) The transport contractor shall strictly follow all instructions, procedures, rules and regulations. The transport contractor shall solely be responsible for any penalty or any other types of punishment due to negligence, ignorance or wilful action of the driver.
- 18) ICTS shall have no responsibility for any damage to the vehicles due to accidents or any other reasons whatsoever including act of God, civil commotion, fire, floods or any other natural or man-made calamities and shall have no liability to pay compensation in any manner to anybody, individual or to any Government or other statutory agencies. The transport contractors shall solely be responsible under all such circumstances.
- 19) In case of accidents or any damages to the vehicles, property, people or whatsoever, any claim from public or any party arising out of or in the course of operating the vehicles, the responsibility shall rest with the transport contractor and ICTS shall in no way be held responsible.
- 20) In case of any damage or any type of injury caused by a driver to the property or personnel of the ICTS, during the contract period, the transport contractor shall compensate all the expenses incurred by ICTS.
- 21) ICTS will not be responsible for any loss or damages due to fire, theft etc. to the vehicles when the vehicle is parked either in ICTS campus or other places.
- 22) Any disputes arising out of this contract shall be settled by mutual discussion. In the event of a dispute being unresolved, the decision of the Center Director, ICTS shall be final and binding on both the parties.
- 23) The type of vehicles required will be decided by ICTS based on the number of passengers. ICTS reserves the right to increase or decrease the vehicles as per the requirements of the Institute.
- 24) If in the opinion of ICTS, any driver is undesirable; such drivers shall be replaced in 24 hours.
- 25) If in the opinion of ICTS, any vehicle is unsatisfactory; such vehicles will be replaced by another better vehicle of the same make & class, etc.
- 26) The routes, type of vehicle prescribed, distance for each trip, places of pickup & drops may change or vary. In all such cases the exact distance will be determined and paid on the basis of No. of kms. covered. The rate per km. will be the basis on which all increases / decreases will be paid.

Ref: ICTS/TIFR/2021-22/SER-37

Tender Notice No. 03/MAR/2022

- 27) ICTS reserves the right to cancel one or more trips together and / or to change capacity of any or all trips.
- 28) If any vehicle is not being used for the designated trip, ICTS reserves the right to redeploy those vehicles for other trips.
- 29) The formula for increase/ decrease in rates of fuel is as follows:  
“Additional cost per kilometer =  $x/y$  where ‘x’ is the difference between old and revised fuel price and ‘y’ is the assumed mileage for a vehicle as given below:

Sl.No.	Type of Vehicle	Mileage of the Vehicle Non A/C
1	Mazda (38 Seater)	9
2	Tempo Traveller (12 Seater)	10

The increase/decrease in the rates, if any, due to change in fuel rates, shall be claimed/reduced by the contractor on a monthly basis separately by applying the above formula. The fuel rate prevailing on the first day and last day of every month and difference between these two rates shall be considered for increase/decrease.

- 30) ICTS reserves the right to reduce or increase the distance for any or all trips and pay per km. rate as indicated in the work order or amendments thereof.
- 31) If any trip is not undertaken for one or more days, no charges will be paid for this trip for all such days.
- 32) Any act of commission or omission which jeopardizes the safety / security of the Centre, the contract will be terminated without any notice. The contractor will be levied a penalty by the Centre and any expenses incurred towards the work that need to be discharged by the Centre on account of this, shall be recovered from the contractor's bills. The recommending authority will be the Officer-in-Charge and the decision of the Center Director, ICTS will be final and binding on both the parties.
- 33) The liquidated damages clause will be applicable at the rate of 1% or actual loss incurred to ICTS on the monthly bill value in the event of mismanagement, non-fulfillment of contractual obligations or any other reason which in the opinion of ICTS, has affected its day to day operation.
- 34) The imposing of liquidated damages or termination of the contract will be absolutely at the discretion of the Director, ICTS.
- 35) The successful bidder will be required to sign an agreement on Rs.100/- non-judicial stamp paper with 2 witnesses and the payment will be released only after agreement is executed.

Ref: ICTS/TIFR/2021-22/SER-37

Tender Notice No. 03/MAR/2022

- 36) The successful bidder needs to deposit photocopies of RC Book, licence of the drivers proposed to ply the vehicles at ICTS with the residential address, mobile number with ICTS for security verification.
- 37) The drivers need to maintain a proper turn out in neat white uniform tucked in, black shoes, clean shaven and proper haircut. In case the turnout is not proper the vehicle will be sent back and the contractor will have to replace the vehicle.
- 38) All the drivers should have a mobile for proper communication.
- 39) Drivers need to be courteous. They should get down and open the door for the users getting in and wish them appropriately.
- 40) The vehicles should be checked for its upkeep.
- 41) The drivers are not to ask any money from the users either as parking fee or any other. Parking fee will be reimbursed at ICTS if valid receipt is enclosed.
- 42) The drivers need to obey the instructions given by the Transport-in-charge as to the usage of the vehicle even after the specified timings in the work order as provisions are also made for extra kilometers and extra hours.
- 43) If the drivers have any problems, it only needs to be sorted with the transport contractor and no explanation will be accepted from the drivers as excuses for non-compliance of the orders.
- 44) When the drivers go for lunch or tea, they need to inform reception as well as security at the main gate and take their permission. At any cost it needs to be ensured that all the drivers will not go for lunch or tea together.
- 45) In case of any breakdown of the vehicle while performing the duties, the matter needs to be informed to the Transport-in-charge, ICTS/ duty Security in charge at Main Gate (Off working hours). In case of any accident, the matter needs to be informed immediately to the TI and the driver should take immediate steps to take the patient to the nearest hospital followed with necessary complaint.
- 46) All the vehicles need to be parked only at designated parking areas. When called by the receptionist or Transport Incharge, the drivers need to report immediately without delay.
- 47) The contract with the Center will be initially for a period of 3 months and if the services are found to be satisfactory, the Center reserves the right to extend the contract initially for a period of 9 months and subsequently for a further period of 24 months (12 months at a time).
- 48) The contractor or ICTS can terminate the contract by giving one month's notice on either side. However, ICTS reserves the right to terminate the contract at any time.

## SCOPE OF WORK

### SCHEDULED BUSES

Nature of Vehicles Required	No. of Vehicles required per day
Mazda (38 Seater)	3 Nos (Trips as per schedule in Price bid on weekdays and on Sundays/Holidays)
Tempo Traveller (12 Seater)	2 Nos (On full day disposal)

All Vehicles should have GPS device with RFID – Vehicle Tracking

- The Contractor should be able to generate following information in PDF/EXCEL/WORD documents and the same should be produced on daily basis and consolidated report on monthly basis vehicle-wise.
  - Route and total kms traveled trip wise.
  - Trip Wise Summary Report.
  - Vehicle Activity Report.
  - Stop & Speed Reports.
  - Other value added Reports.
- The installation and maintenance charge should be borne by the Contractor only. Without GPS, the vehicles will not be allowed for ICTS operations.
- For billing purposes, the GPS records will only be considered.
- The bill in duplicate along with logbook / trip sheets should be sent to the Administrative Officer, ICTS for payment by the 5<sup>th</sup> of the following month. It should be ensured that there is no overwriting in the log book. In any case, a log book without signature will be accepted for payment and if it is found so, the amount will be disallowed. GPS records / generated reports will also be considered for payment.
- The tampering of meter reading, vehicle usage timings, overwriting of log sheets and misbehavior of drivers shall be viewed seriously, leading to even cancellation of Contract.
- The rates quoted by the Contractor shall be firm during the currency of the Contract.
- The maintenance cost, charges of petrol, road tax, permit fee, passenger tax, border tax, state tax, challans, salary of the driver, the overtime of driver etc., are the responsibility of the Contractor for which no payment shall be made by ICTS.
- Parking / Toll charges shall be paid by the Contractor which will be reimbursed as per actual by ICTS on production of documentary evidence/ attach the same with the respective trip sheet.
- No Advance Payment shall be made under any circumstances.

Ref: ICTS/TIFR/2021-22/SER-37

Tender Notice No. 03/MAR/2022

10. The Contractor shall be fully responsible for any loss or damage to the Vehicle and also liable to pay full compensation for any injury or any other loss to Passengers.
11. The work can be bifurcated among two or more parties at the sole discretion of ICTS and no Contractor / Agency shall have any objection to the same.
12. The Vehicles sent to ICTS Office must have all relevant documents like Registration Book / Driving License / Insurance/ Road Tax/ Receipt Permit Fee / Passenger tax / Border tax etc. The Vehicles should be licensed and shall confirm to all Government Rules and Regulations being in force from time to time.
13. To the extent possible, the contractor will have to make efforts to provide his own vehicle. However, it devolves on the contractor to provide an alternative vehicle taken on lease only in exceptional cases but the payment will be released with reference to the approved rates to the Contractor.
14. The Contractor will meet all the necessary compliance of statutory requirements like pollution, emission, noise etc.
15. In case of breakdown/servicing/repair, the Contractors shall provide alternate vehicles of same make and model failing which Vehicle shall be hired from any other source(s) at the risk and cost of the Contractor.
16. In case the vehicle either reports or is released to/from any other point in the city other than ICTS/ stoppage/ starting point mentioned in the bid, then, the chargeable mileage will be the actual distance between the office or the garage and reporting /releasing point. This shall be entertained for payment, on the shortest route at actuals but without GPS Kms.
17. The Outstation night charges shall be applicable only when vehicles will be taken outside the City limits of Bangalore.
18. The Vehicle provided by the Contractor must be in excellent condition. The Contractor shall ensure proper cleaning, upkeep of interiors & seat covers of the Vehicle. If the interior of the Vehicle is not in good condition, the deduction to the extent of 2% of the total amount from the bill of that vehicle shall be made for that particular month.
19. ICTS reserves the right to get the meter calibrated or checked at any time at its sole discretion and in the event of any error/fault in the meter being noticed, the bill for the journey undertaken (including those undertaken earlier) would be adjusted, besides any other penal action as decided by ICTS, which may even lead to termination of Contract.

In case of non-compliance of the above terms and conditions of contract, a penalty may be levied.

**For and on behalf of International Centre for Theoretical Sciences**

**Administrative Officer**
