

ICTS - LONG TERM VISITING STUDENTS PROGRAM - 2018

ICTS - Long Term Visiting Students Program at International Centre for Theoretical Sciences (ICTS-TIFR), Tata Institute of Fundamental Research, Bengaluru invites applications from academically bright and motivated Masters and Integrated Masters students for the ICTS - Long Term Visiting Students Program. The Long Term Visiting Students Program mainly aims to provide opportunities to masters students of science and engineering to spend a longer period of time (minimum of 3 months) to work in close collaboration with ICTS faculty members on research projects.

Master/ Bachelor students of science, mathematics and engineering, who are entering the final year, in their final year or have recently completed their program are eligible to apply. The start date of the program is normally August of every year but it is flexible.

Deadline
15th Feb 2018
