

ICTS POSTDOCTORAL PROGRAM 2024^{FALL}_{CYCLE}

The International Centre for Theoretical Sciences (ICTS-TIFR), Bengaluru invites applications for various postdoctoral positions (including several prize postdoctoral fellowships like Simons, Max-Planck Partner Group etc.) twice every year, once in summer and then in fall. Interested candidates should apply online. Applications received after the deadline may also be considered until the positions are filled.

Duration of fellowships

Initial appointments will be for a period of two years, which will be renewable for the third year in exceptional cases after an academic review.

Salary and benefits

For regular fellowship positions, the monthly salary structure is: 47,000 INR (PhD), 49,000 INR (PhD + 1 year), and 54,000 INR (PhD + 2 years).

This fellowship carries an annual contingency grant as per norms.

ICTS offers access to high-performance computing facilities, in-house library and to most scientific journals. Support for travel for participation in important international meetings is also available. Postdoctoral fellows will also have opportunities to participate in the teaching of graduate courses at ICTS.

How to Apply

Interested candidates should apply online at <https://applications.icts.res.in/postdoc> with their:

- 1 - Curriculum Vitae
- 2 - List of publications
- 3 - A research proposal (not more than two pages)
- 4 - A cover letter
- 5 - The applicants also need to arrange atleast two recommendation letters sent directly to the ICTS.

Deadlines for submission of applications

31 December 2023

Applications may be considered after the deadline in case there is a vacancy. The nominal starting date of 1st August 2024, is negotiable.
