ICTS Group Theory and Representation Theory Seminar

Title : Dirichlet's theorem, continued

Speaker : T. N. Venkataramana (ICTS-TIFR, Bengaluru)

Date : Tuesday, 12 August 2025

Time : 11:30 AM (IST)

Abstract : The Concept of L-functions will be introduced and elementary analytic properties of L-functions will be established. They will be used in the proof of Dirichlet's Theorem.

Venue : Feynman Lecture Hall
