

## **ICTS Fluid Dynamics Seminar**

**Title** : Preserving large-scale features in simulations of elastic turbulence

**Speaker** : Dario Vincenzi (Université Côte d'Azur, France)

**Date** : Friday, 15 March 2024

**Time** : 11:30 AM (IST)

**Abstract** : After introducing the phenomenon of elastic turbulence in polymer solutions, I will discuss the main difficulties in the numerical simulation of elastic turbulence and propose general criteria to preserve the features of the flow.

**Venue** : Emmy Noether Seminar Room
